

Maharaja Sawai Bhawani Singh School, Jaipur

My dear Students and Parents,

Greetings to one and all, from Maharaja Bhawani Singh School.

After an eventful year, it is time to bid good bye to 2020 and welcome the New Year 2021 with raised spirits, new opportunities, adventures and new ways to give and share. Children, be thankful to God for all the blessings, and especially for being blessed with loving, caring and supportive parents.

My dear students, you all are talented and hardworking children. You have proved that as Bhawanisinghites, you can take up any challenge that comes your way. Your resilience has helped you to rise to the occasion, even the pandemic could not deter your spirits. It is heart-warming to see you attending the online classes, writing online examinations, participating in online competitions and the list is endless.

Now, as we are about to complete more than half of the academic session of 2020-2021, I urge you all to focus on academics and physical agility equally. Very soon you will be preparing for the Final Examinations and getting ready for the next class. All play and no work makes Jack a dull boy, is an old saying which is relevant even today. Student life is the time to study, play and have fun. Strike a balance between all three giving more importance to studies.

It may not be easy to think of the recent future after Pandemic, but remember children, with New Year comes new hopes and together we will be able to tide over. Grant yourselves permission to experience your emotions, positive or negative, whatever they may be, do not suppress them, but acknowledge them. Extend the same generosity to those around you. Once you have done that, look for things in your life that genuinely bring you hope and joy.

May the year 2021 be full of goodness and happiness for you. May you be blessed with the best of health and all the joys.

With best wishes for a Happy New Year!

*Vaidehi Singh
Principal*

OCTOBER-DECEMBER

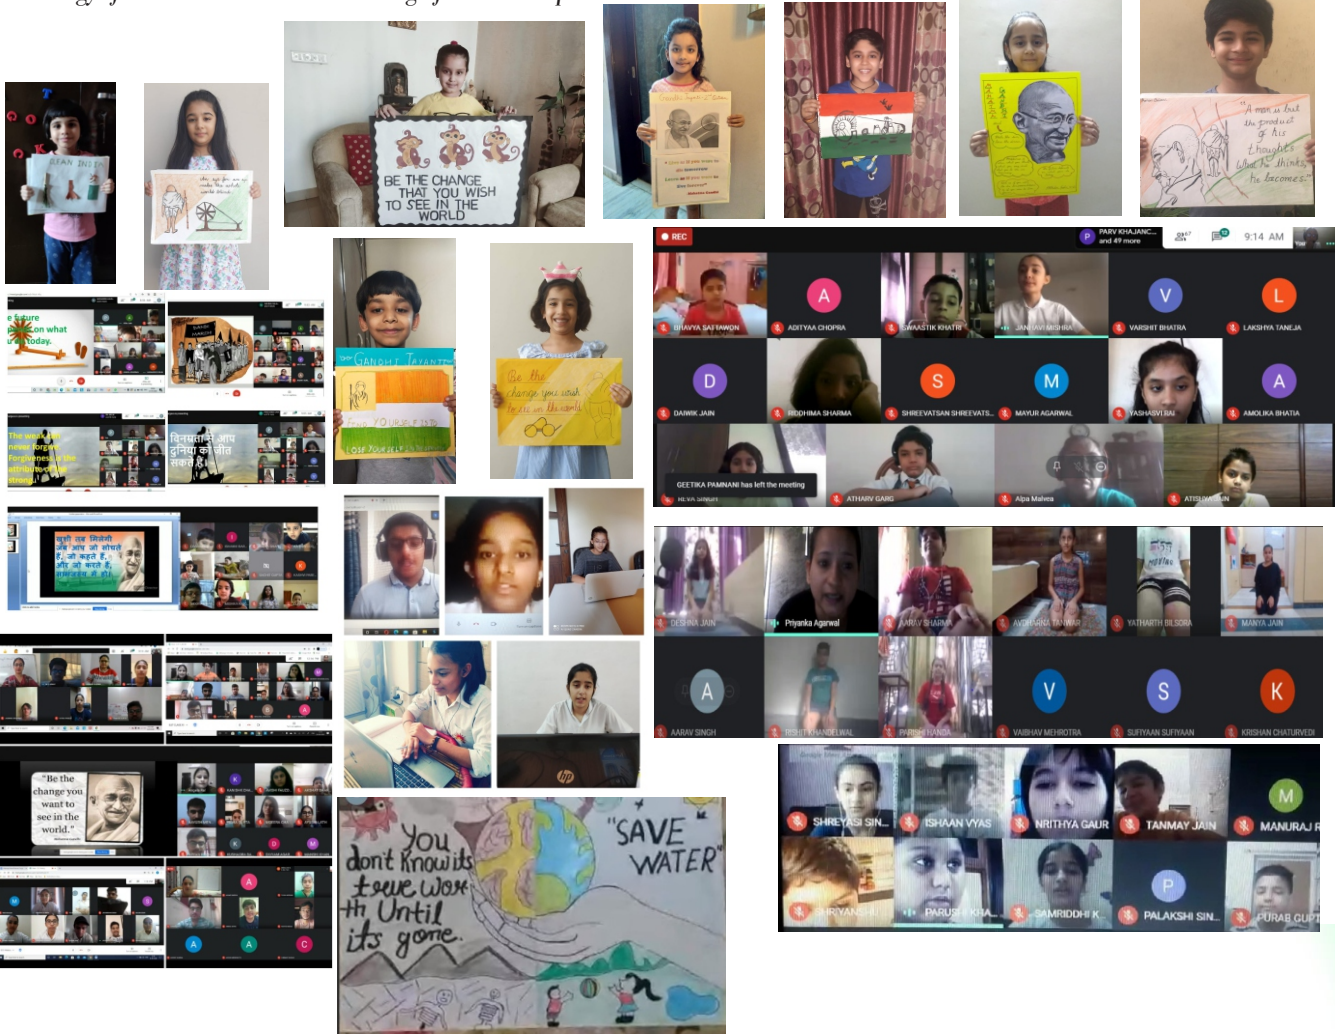

2020-21

CBSE Activities

2nd October

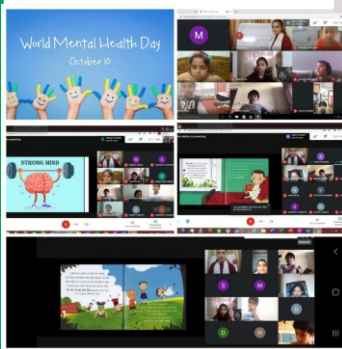

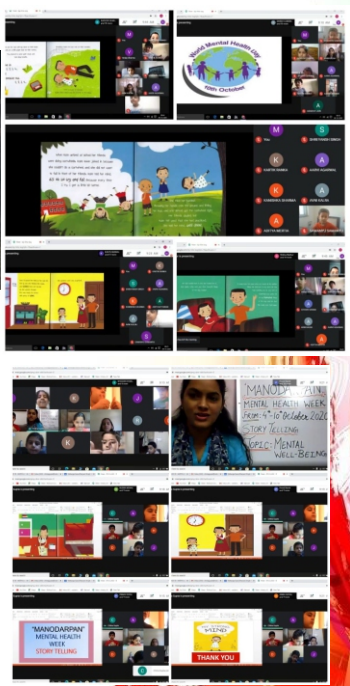

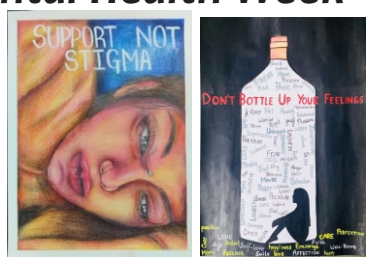

On the occasion of **Gandhi Jayanti**, the students of Bubbles made beautiful artwork depicting Gandhiji's charkha. A PowerPoint Presentation depicting the teachings of Gandhiji was shown to the students of Primary classes, they also designed a collage and created beautiful placards and posters in vibrant colours with teachings of Gandhiji written on them. The Middle wing showcased the teachings and philosophy of Mahatma Gandhi by participating in group meditation, singing his favourite bhajan- 'Raghupati Raghav Raja Ram' and speaking about his ideology of truth and non-violence and its significance in the present times.

CBSE Activities

3rd to 9th
December

OBSERVANCE OF FIT INDIA School Week

The students of MSBSS actively participated in various activities aimed to keep oneself fit during the pandemic and post pandemic period. The Primary and Middle wing were engaged in fun & fitness activities like Yoga, aerobics, dance forms, rope skipping under the guidance of their sports teachers. To spread awareness among students and parents, a session was conducted by Ms. Surbhi Mishra, an eminent squash player. For the Senior school students, quiz & debate competition, poster making and a symposium on the need to keep oneself physically and mentally fit through proper diet and nutrition were organised. The school was awarded a Certificate of Recognition for successfully organizing the FIT India School Week from 3rd to 9th December 2020.

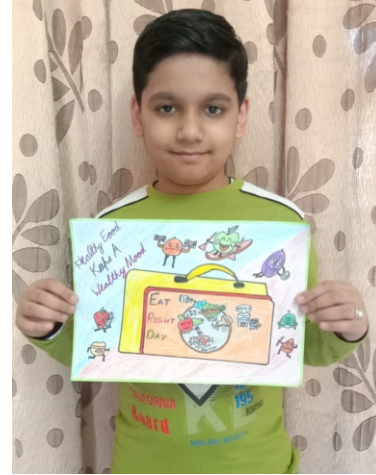

7th December

CBSE Activities

Eat Right Creativity Challenge

The Eat Right Poster Making Competition initiated by FSSAI, Ministry of Health and Family Welfare, was organised for the students of Maharaja Sawai Bhawani Singh School, Jaipur, on 7th December, 2020. About 200 students participated in the activity.

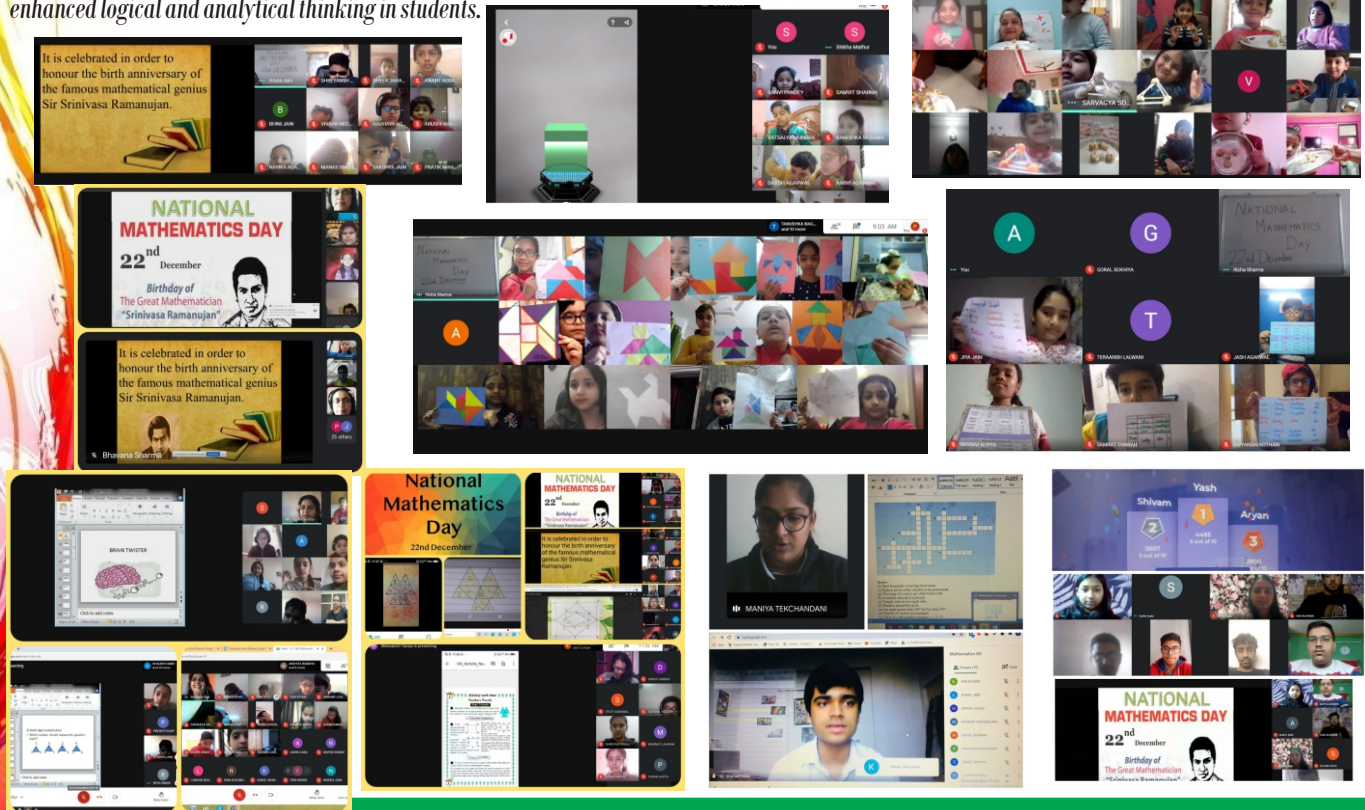

The theme of the competition: Eat Safe, Eat Healthy and Food Safety during Covid-19 was depicted very well by the students. They created beautiful posters highlighting the importance of regular and nutritious eating habits in order to maintain good health and keep themselves energetic during the pandemic.

22nd December

National Mathematics Day

To commemorate the birth anniversary of the legendary mathematician- Srinivasa Ramanujan, December 22 is observed as the 'National Mathematics Day'. To pay tribute to the legend and spread the joy of learning and understanding, interesting activities were conducted online, like constructing 2D and 3D shapes using playdough or wheat dough, identifying properties of 3D shapes, magic in calendar, preparing a teaching aid to facilitate learning of units of mass, length and capacity, prepare Tangram Puzzle, Creating an Invoice, Brain-Twisters, Magical Triangles and Vanishing Numbers, Alphabetical activity based on Mathematical Terms, Mathematics Crossword Puzzle, Maths Quiz- 'QUIZZARDS'. The objective of these activities was to enhanced logical and analytical thinking in students.

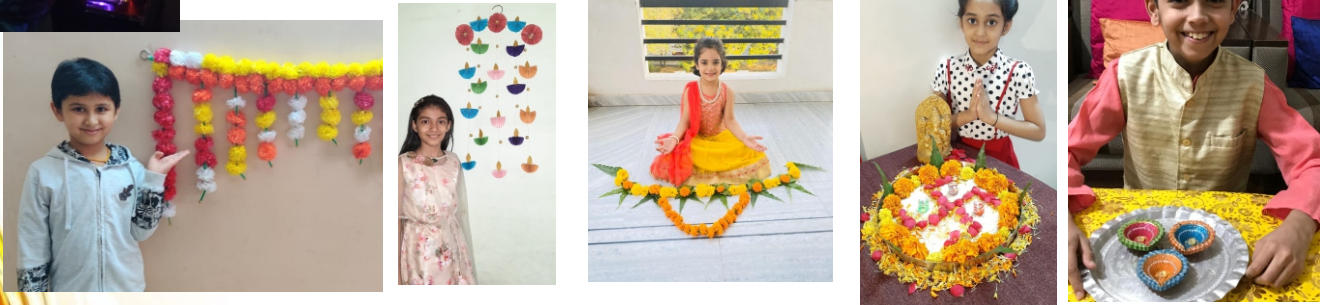

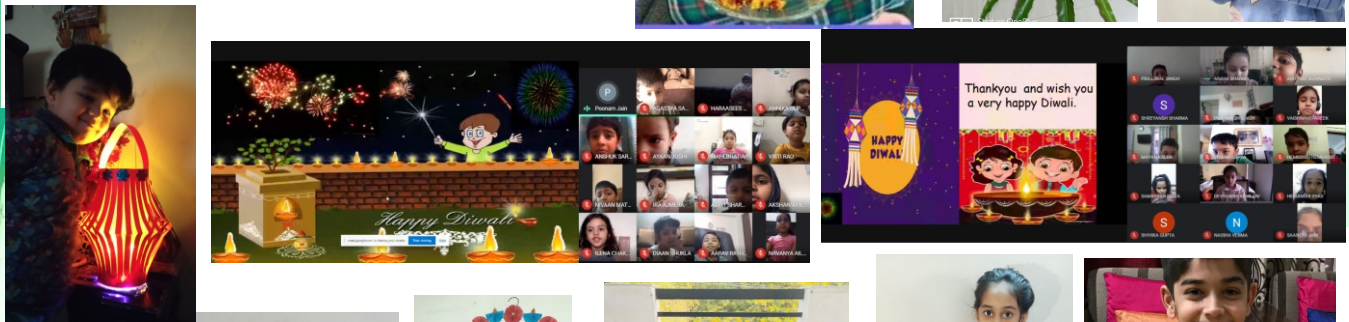

CELEBRATIONS

The students enjoyed a virtual observance of **Dussehra**, by staying safe at homes.

Diwali was celebrated by the students by making rangoli designs with flowers, lanterns and candle holders using bangles. They also decorated beautiful thalis and make eco-friendly bandanwars. Students also made colourful glitter candles, torans. The teachers highlighted the importance of Diwali by showing the students a wonderful PPT and giving away the message of a safe, healthy, bright and peaceful Diwali.

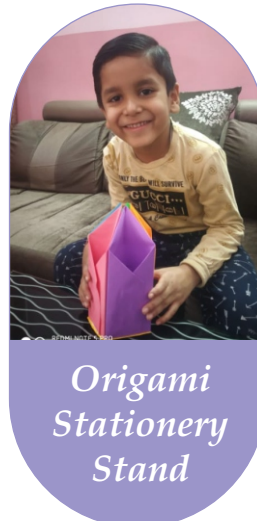

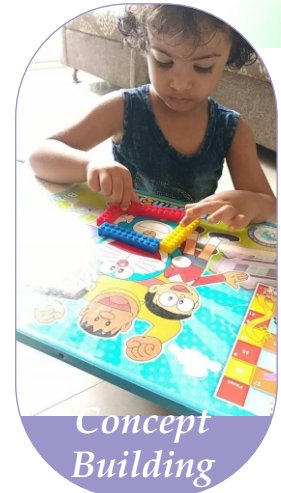

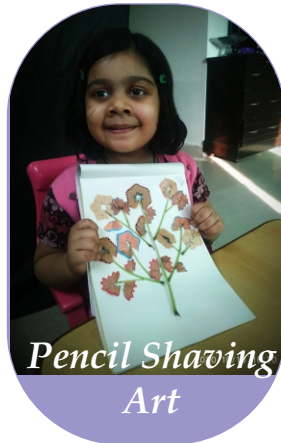

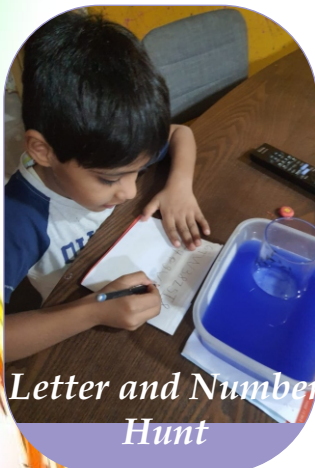

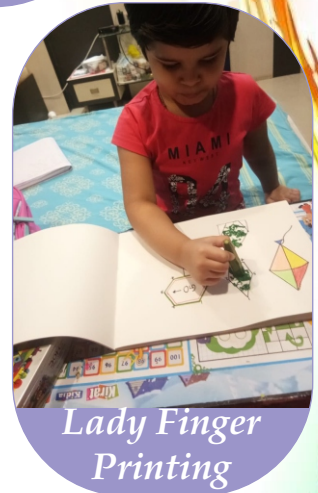

The students of Bubbles and Primary wing celebrated Christmas with the message of joy, love and peace. Using their experiential learning they made chocolate tart, Christmas tree using paper craft, gift bags and Christmas poster.

ACTIVITIES

BUBBLES and PRIMARY

WORLD ANIMAL WELFARE DAY

4th October

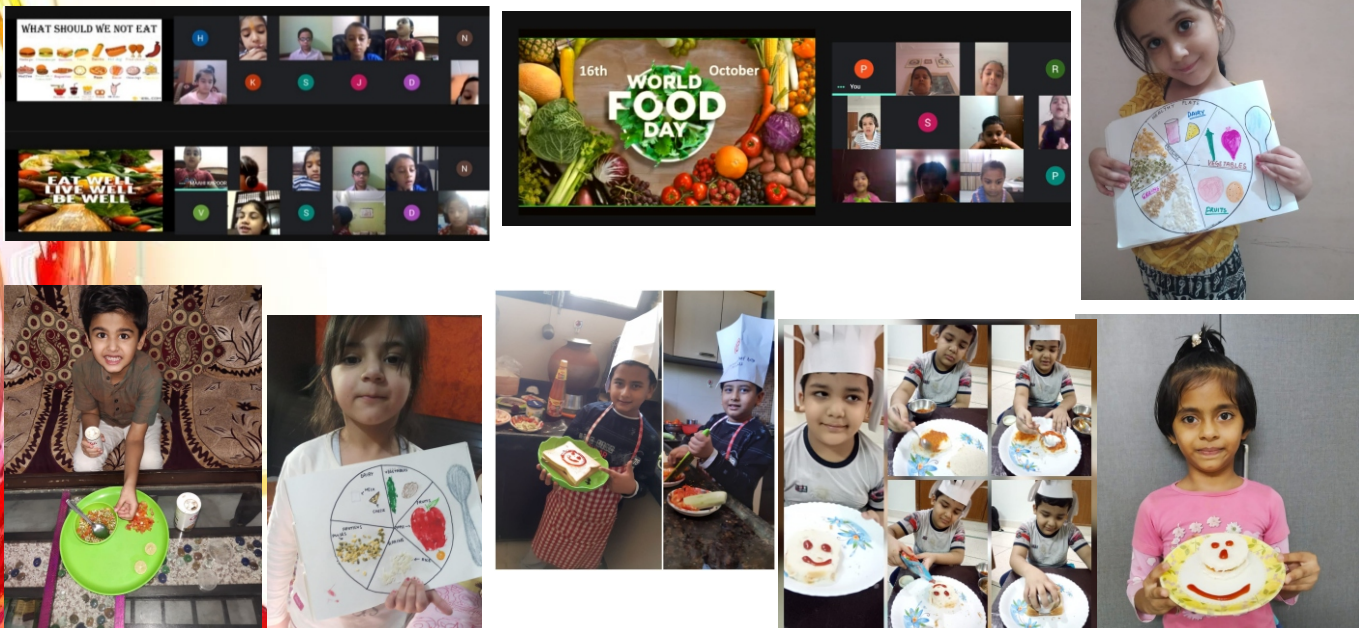

World Animal Day was celebrated with great zeal and fervour by Bublites and the students of Primary classes of MSBSS. To express love and care towards animals, Bublites made handy and colourful animal feeders. The Primary wing created beautiful bird feeders and creatively designed animal face masks. The teachers discussed with the students about the ways to take care and protect the animals through the online session.

WORLD FOOD DAY

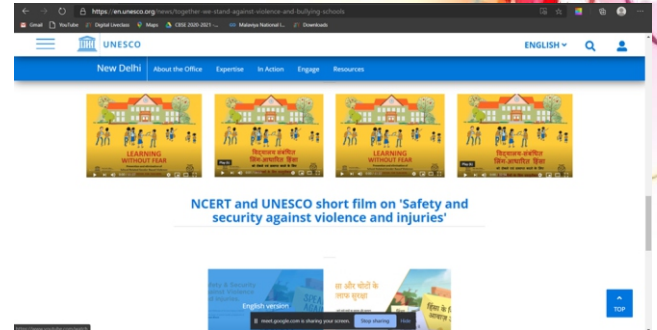

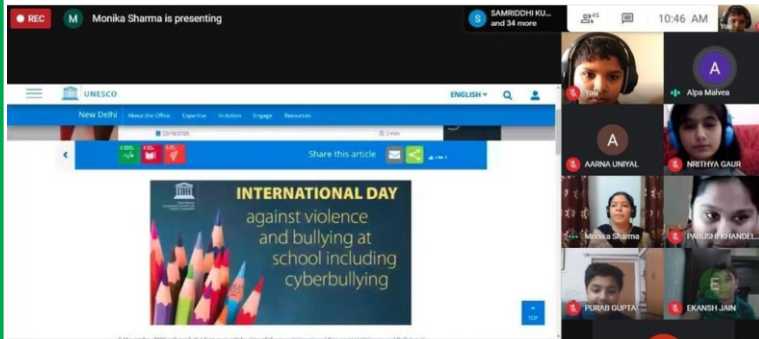

16th October

World Food Day- a day of action against hunger is to ensure that every human being has a fundamental right to be free from hunger. To emphasize on the understanding of the above, students of the Pre Primary and the Primary wing of MSBS School participated virtually in different activities. The toddlers of Bubbles were involved in 'Sprout Salad' making activity. They also designed 'My Healthy Plate' in sketch books by pasting images of nutrients that should be added in our daily meals. The Primary wing enjoyed fireless cooking and did poster making activity.
