

Maharaja Sawai Bhawani Singh School, Jaipur

Dear Students and Parents,

As we progress through another enriching academic year, I take immense pride in reflecting on the incredible journey we have had. The past few months have been a testament to our collective resilience, creativity and pursuit of excellence. Our students have once again made us proud by excelling in academics, sports and cocurricular activities. Whether securing top positions in Vidyarthi Vigyan Manthan, excelling in JEE Mains, or winning accolades in national and international competitions, each accomplishment reflects the dedication and hard work of our students and teachers.

Our commitment to fostering innovation and hands-on learning has been recognised once again, as the ATL School of the Month by the Atal Innovation Mission. We are also proud to receive the Green School Award from the Centre for Science and Environment for the second consecutive year, acknowledging our ongoing efforts in environmental sustainability and eco-conscious initiatives.

We continue to integrate experiential learning through ATL projects, CBSE activities and leadership programs. The tGELF and life skills sessions have encouraged our students to develop values and prioritize mental health and well-being. Pariksha Pe Charcha activities have provided valuable insights into stress management and exam preparedness, reinforcing a positive learning environment. Additionally, our participation in TiE Rajasthan was a remarkable achievement, with our team, Guldaari, being selected among the top three teams, showcasing their entrepreneurial skills and innovative ideas.

Immersive learning experiences like the Chandrayaan Virtual Reality Experience captivated our students, allowing them to explore space technology in an engaging and interactive manner. In the INTACH Filmit India Film Festival, our students won awards for their outstanding filmmaking skills, demonstrating creativity and storytelling prowess.

The Farewell Ceremony for Class XII was a heartfelt event filled with nostalgia, gratitude, and best wishes for their future endeavours. Orientation sessions for Classes X and XII ensured that students were well-prepared and confident for their board exams.

I congratulate the winners of the PRASANG Awards, who have proved themselves through their outstanding dedication and values.

Our young athletes have demonstrated remarkable commitment, bringing home medals from the National Pickleball Tournament and the 68th National School Games Shooting Championship. Participation in the Jaipur Literature Festival, ISRO Science Exhibition, and Jaipur Bird Festival further enriched the learning experiences of our students beyond classrooms.

As we move forward, I encourage every student to embrace learning beyond textbooks, explore their passions, and strive for excellence in all they do.

A heartfelt thanks to our dedicated faculty, supportive parents, and enthusiastic students who make this institution a centre of excellence. Together, let's continue to strive for greater heights and embrace every opportunity with confidence and determination.

Best wishes,
