

# Maharaja Sawai Bhawani Singh School Jaipur

*Dear Parents & Students,*

*As we come together to welcome the New Year, 2024, I would like to express my gratitude and deep appreciation to all the stake holders: Students, Parents and the Staff Members of MSBSS for their valuable support through the year.*

*Much has been accomplished this year, I am happy to inform you about the achievements and accomplishments of our students this year both of the alumni and the students studying in the school. It has been an incredible year for the school. MSBSS, this year has been the recipient of some of the prestigious awards. Important ones being:*

- *GRIHA Exemplary Performance Award by TERI*
- *"Principal of Innovation Award" by the YOUTH IDEATHON 2023*
- *Educational Icon of Rajasthan Award*
- *Award of Excellence in Education*
- *Promoting Experiential Learning Programmes Award.*

*At MSBSS, we not only focus on the child's academic performance, but also on the holistic development of the students. With a zest to ensure students social and emotional development different activities are conducted at school level. In the last quarter of October to December, MSBSS organised successful Cultural Shows from the Primary to Middle School. Sports Day for the Pre Primary and Primary School Students. We have tried to ensure participation of majority of the students in these activities.*

*MSBSS Girls Handball Team completed a Hat trick by winning Gold Medal for three years in a row in the CBSE West Zone Tournament. The Handball, Volleyball and Football teams also won Gold Medals at different tournaments.*

*The XI Maharaja Sawai Bhawani Singh Memorial was a grand success with participation of about 50 schools of Jaipur. The Winning Trophy was lifted by MSBSS.*

*Looking ahead, to the new year we have some new initiatives that we plan to bring at MSBSS.*

*Best wishes,*

*Vaidehi Singh  
Principal*

*Newsletter  
October to December  
2023 - 24*

*Heartiest Congratulations !!*

*Our Director Saheba, Princess Diya Kumari Ji  
Hon'ble Deputy Chief Minister, Rajasthan*

**Faculty Development Program - Building Curiosity in Classroom**  
**Mr. Rajnish Kumar : Former Director, Ministry of Education**  
**Mrs. Anita Karwal: Former Education Secretary at Government of India**  
**Ms. Rashi Sharma : Former Director, Ministry of Education**

**Building Curiosity in Curriculum - Some ideas**  
 Anita Karwal, Rajnish Kumar & Rashi Sharma

**Multi-disciplinary to Inter-disciplinary approach - a few examples**

- Ganga-Yamuna river story
- Himalaya
- The Car
- The Mobile phone
- Natural Ecosystem
- Computer
- Bacteria, Virus
- Genes, DNA

**Connecting learning to daily lives, objects, events, and contexts is not Rocket science!**

- Maths
- Battery
- Optics
- Materials
- Science
- GPS
- Internet
- Fingerprint
- Biology
- MANY OTHER TOPICS

**HOW: Cuebee finds science, language, maths and social interaction in everything that she sees around.**

**KEY POINTS**

**HOW: Skill-based education suggested by Cuebee**

- Student and teacher agency
- A real-life and practical learning environment - Hands-on, learning by doing, activity-based, story-telling based, research-based, project-based learning
- Encourage/allow (integrate HUMOUR) in the classroom - It is one of the best communication skills
- Engagement with parents
- Collaboration with community
- Engagement with peers - peer learning
- Problem-solving approach - Dealing with real-world problems - environmental awareness
- Remember: LACK OF CONNECTION TO THE REAL WORLD is a major cause of a lack of skill-based learning in the modern education system. (Harvard University)

**HOW: Cuebee method of bringing about collaboration in classrooms**

- Making goals and expectations clear
- Creating challenging learning activities, and building opportunities for discussion
- Allowing dissenting views - for furthering discussions
- Setting plan decided by class
- Peer learning
- Group work, where every child has unique role
- Collaboration with community
